

AFRICAN SAFARI and GOLF

South Africa / Namibia / Botswana / Zimbabwe

The journey to Victoria Falls – considered the essence of Southern Africa travelling it rates as one of the most spectacular and diverse in the whole of the continent.

With the promise of world class Golf – starting off at the famous Gary Player and Lost City Courses at Sun City and the wild Elephant Hills in Zimbabwe to the only Green Desert course in the Namib Desert (and one of only five in the world) Rossmund. However the delights you will sample onward don't stop or stagnate on only the golf course.

The dramatic Namib-Naukluft Desert; the towering sand dunes at Sossusvlei. Of course the awesome Etosha National Park is an arid landscape interspersed with game-rich waterholes, where we have an excellent chance of seeing elephant, rhino and lion.

The landmark of Botswana - the Okavango Delta could not offer a more dramatic contrast of tranquility and understated natural urgency; we experience some game-viewing in dug-out canoes before a river cruise and game drive in Chobe National Park.

Nearing the end of our journey we enter Victoria Falls on the Zimbabwean side, one of the most awe-inspiring sights in the world and one of the 7 Wonders of the World.

Revel in the game and revel in the magic of Southern Africa, join us experience the difference.
